Trans Tasman Training Days – Cressy 3-5 January 2020

Cressy is having "Trans Tasman training days" on 3-5 January for those workers who want to have a "warm up" with their dogs on a trial ground in preparation for the trials coming up, especially the Trans Tasman night trial at the Commonwealth Championships.

We are using a Trans Tasman course for those who are interested in working it and learning more about the Trans Tasman rules, or, if you prefer, you can use the course as if it was a modified course. The choice is yours.

Runs will not be judged but if you would like someone to walk the course with you just let us know, or if you would like some feed back on your run Bill Paton is more than happy to advise you.

Depending on the amount of entries received, and because of the time of the year when it can tend to be very hot and we may have to have a break during the day (our "hot weather rule") or we may have to limit the number of dogs, but we won't know that until the weekend weather is predicted.

If you have a valid reason for only being able to come on Saturday and/or Sunday please let me know on the entry form and I will make sure you get your runs over the weekend. The entry fee will be **\$2 per (15 minute) run**, which will be **payable on the day**.

Morning tea, lunch and afternoon tea will be available for \$10. Van sites \$10 per day.
