Show Day 2nd Saturday in February

**To all our valued Competitors and Supporters on the South Eastern
Victorian Sheep Dog Trials.**

The Trial this year, due to the current Covid Restrictions placed on events such as ours, will be running under the Current Ruling set down by the Victorian Government. All competitors, partners and friends attending the Trial must be Double Vaxed and provide to me a copy of their Certificate. If you have a Medical Exemption form signed by your Doctor I can also accept that. The Trial will be registered with the Vic.Gov and a Covid Plan in place in the event we are visited by Officials. If we do not run the Trial this way we would be limited to 30 people at the ground including our volunteers, we did not see it feasible to run our Trial this way. By making it a Double Vaxed Trail we can have up to 100 people and a fully operational Kitchen. To all of you thank you for your support, and I hope to see you in December.

kindest Regards,

LOUISE RIELLY,

SECRETARY,
